

Building a healthy workplace

Vitae's 24/7 Free phone Assistance Helpline, Counselling and regular Workplace Visits provide a constructive range of options supporting staff.

Vitae has the capacity to engage with your whole workforce through regular, scheduled visits to the workplace as well as accepting self-referrals from staff for counselling if required.

M.E. Jukes employs a team of 30 staff in Gisborne. Their team of drivers deliver supplies and specialist lifting and digging equipment throughout the region. Commenting on the onsite service, Laurie Owen - Manager says, "Mark's relationship with management and staff is very good. He has the ability to get on the right side of everyone. (He) will talk to management about any concerns he has whilst still being confidential".

In Hamilton, Michael Peattie, manager of Glenview New World says, "Great to have it available as we have had numerous staff facing challenges in their personal lives".

Vitae's onsite service provides a pro-active way of working with the whole workforce. In consultation with management Vitae offers a team approach to identifying challenging issues in the workplace and assisting workers through periods of personal difficulty.

Danella Ainsworth, People and Capability Manager New Zealand Pharmaceuticals Ltd says, "Kerrie and the management team at NZP have an excellent working relationship. The service is managed by myself. We have regular catch ups and maintain an effective working relationship."
